

Tips for Making Happy Campers *COGS Adventure Camp 2008*

- Campers should dress in “play clothes,” tennis shoes & socks. Remember the dirtier you get, the more fun you had!
- Bring toys & games at your own risk! Many toys get broken, lost or even stolen. This makes unhappy campers.
- Bring a water bottle labeled with your name to stay hydrated.
- Wear green camp shirt on field trip days!
- Sunscreen will be applied to children with a signed release form and provided sunscreen.
- Children are encouraged to try all activities and games at least once.
- Arrive by 9:00 A.M. for maximum fun and activities.
- Campers in Kindergarten and 1st grade will go on field trips on Tuesdays weekly. Campers in 2nd thru 6th grade will go on Thursdays.
